Ticket Concessions

Concessions are issued to the over 65s and juniors ages from 17 to 21 years. Juvenile tickets are issued to children aged 16 years or under (Under 12s must be accompanied by an adult)

Proof of ID must be produced when asked for both when purchasing tickets and on entry to the ground. Failure to do so will result in the higher price being charged. If an incorrect ticket is taken to the turnstile and ID cannot be provided then the stewards reserve the right to refuse admittance.

The ticket can then be taken to the ticket office where the ticket will be upgraded and the relevant match day price difference must be paid.
